OREGON PINOT GRIS

Beautiful yellow gold with flashes of emerald. Lovely aromatics of citrus and tropical fruits (mango, papaya, kiwi), lychee, honeysuckle and acacia flowers, nectarines and pineapple. A wine of great power, richness and length balanced by ripe acidity and structure. The finish rolls seamlessly off the mid-palate and lasts about a year. Great by itself or paired with food, especially exotic dishes, cheese and seafood. This classic Oregon Pinot Gris will drink wonderfully for the next 2 years.
